

# ***GOOD NEWS REGISTRATION***

*The Good News program is a Liturgy of the Word on Sundays for all children in grades 1 through 6 (Holy Rosary School and Religious Education students). The children come immediately to the classroom in the school at 9am. They hear the Word proclaimed for their age and do a short activity to reinforce what they have heard. They come to join their family at Mass at the Offertory of the Mass. (starts September 26)*

*This program is optional and does not replace the Religious Ed class.*
