

Lend Your Voice!

Next weekend, the Holy Rosary Social Justice Committee will be sponsoring a letter asking our legislators to fund critical housing programs for those most in need in our community.

**Your signature at the bottom of these letters is all they need to know that we care about the vulnerable among
US.**

Please support the parish next weekend as advocates for this important issue. The letters will be available after each mass. The Social Justice Committee will collect the signed letters and forward them to our representatives in Olympia.

Coffee'nd will be sponsored by the Social Justice Committee next weekend if you have any questions.
